Bachelor of Science (BSc)

Institute: **Mawlana Bhashani Science and Technology University**

Passing Year: **2020**

Concentration/Major: **Information And Communication Technology (ICT)**

Higher Secondary School Certificate (HSC)

Institute: **University Laboratory School and College**

Passing Year: **2014**

Concentration/Major: **Science**

Secondary School Certificate (SSC)

Institute: **Saleha School and College**

Passing Year: **2012**

Concentration/Major: **Science**

Languages Skills:

- Good at Bangla & English.

Projects:

E-Commerce

It is a simple web application in which I have used ASP.NET Core MVC as Backend. Bootstrap and JQuery as frontend. Here MSSQL Server database is used to store the details. I also used here Identity and Entity Framework core.
