Concentration: **Science**

Certificate

- **C# (Basic)**
- **Python (Basic)**
- **Problem Solving (Basic)**
- **SQL (Basic)**

Training/Workshop

- Programming Camp-2018 organized by ICT   dept. of MBSTU.
- Mobile Game Development-2017 organized by ICT division.
- Mobile Game Graphics Design-2018 organized by ICT Division.

Project

E-Commerce

It is a simple web application in which I have used ASP.NET Core MVC as Backend. Bootstrap and Jquery as frontend.Here MSSQL Server database is used to store the details. I also used here Identity and Entity Framework core.

https://github.com/srtipu5/Ecommerce_Project

Languages Skills

- Good at Bangla & English
